Reported Matters

1. Distribution Report of Employees' Compensation and Directors' Compensation for the 2020 Fiscal Year:

- (1) Handled in Accordance with Article 32 of Merida's Articles of Incorporation.
- (2) In 2020, prior to the deduction of employees' compensation and directors' compensation, Merida's pre-tax income was NTD\$ 5,504,533,116. The employees' compensation was distributed from 6% of the above amount, totaling NTD\$ 330,271,987, and the directors' compensation was distributed from 2.6% of the above amount, totaling NTD\$ 143,117,861, all of which has been fully distributed in cash.

2. 2020 Business Report:

Merida Industry Co., Ltd. 2020 Business Report

According to the statistics by the Taiwan Bicycle Association (TBA), the total export volume and revenue of Taiwan's bicycles, including electric assisted bicycles (hereinafter referred to as "electric bicycles") and traditional bicycles (hereinafter referred to as bicycles), decreased by 11.20% (volume) and 5.39% (revenue) from 2019 to 2020. Such figures indicate that the industry was disrupted by the COVID-19 outbreak in 2020. Although the global demand increased sharply later during the pandemic, the assembled bicycle production and export seemed relatively conservative due to the instability in material supply and logistics on the manufacturing end.

From 2019 to 2020, the sales volume and revenue of the Company's own-brand high-end bicycles in China increased by nearly 58% (volume) and 55% (revenue). The Taiwan factory, which mainly exports to the European and American high-end bicycle markets, deferred production due to the pandemic, resulting in the annual export figures equivalent to those of a quarter, the y-oy growth of electric bike export nearly remaining flat, and the number of exported bicycles decreased by over 20% annually. The annual consolidated and standalone (Taiwan factory) sales volumes are respectively 1.0691 million units and 638,900 units (including approximately 230,000 electric bicycles), an increase of 1.61% and a decrease of 22.01% from the previous year. The annual consolidated and standalone revenues were respectively NT\$27.07 billion and NT\$20.229 billion, a 4.15% and 19.10% decrease from the previous year. However, as the global market sales in 2020 saw a bounce-back along with the situation of COVID-19, sales surged later during the pandemic, and huge profits have been injected since Q2, which led to the Group's remarkable performance of "conservative revenue and impressive profit."

We are deeply grateful for the support of all shareholders and directors, as well as the hard work of all employees. In the face of the decline of the shared bicycles market in China and the growth momentum for own brand derived from the newly created demand for high-end bicycles post-pandemic, as well as the even more heated demand for electric bicycles in America and Europe which resulted in the revival of demands for bicycles, the Company will actively adjust the production lines of bicycles and electric bicycles, dispatch various resources, and properly prepare production capacity to fulfill market needs. The Company will also strive to achieve operational targets, to push through the base period, thereby reaching new heights.

The consolidated and standalone operating situations of Merida in 2020 are hereby reported as follows :

Resolution:

INDEPENDENT AUDITORS' REPORT

The Board of Directors and Shareholders Merida Industry Co., Ltd.

Opinion

We have audited the accompanying financial statements of Merida Industry Co., Ltd. (the Corporation), which comprise the balance sheets as of December 31, 2020 and 2019, the statements of comprehensive income, changes in equity and cash flows for the years then ended, and the notes to the financial statements, including a summary of significant accounting policies (collectively referred to as the "financial statements").

In our opinion, based on our audits and the reports of other auditors (refer to the Other Matter section of this report), the accompanying financial statements present fairly, in all material respects, the financial position of the Corporation as of December 31, 2020 and 2019, and its financial performance and its cash flows for the years then ended in accordance with the Regulations Governing the Preparation of Financial Reports by Securities Issuers.

Basis for Opinion

We conducted our audits in accordance with the Regulations Governing Auditing and Attestation of Financial Statements by Certified Public Accountants and auditing standards generally accepted in the Republic of China. Our responsibilities under those standards are further described in the Auditors' Responsibilities for the Audit of the Consolidated Financial Statements section of our report. We are independent of the Group in accordance with The Norm of Professional Ethics for Certified Public Accountant of the Republic of China, and we have fulfilled our other ethical responsibilities in accordance with these requirements. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our opinion based on our audits and the report of other auditors.

Key Audit Matters

Key audit matters are those matters that, in our professional judgment, were of most significance in our audit of the financial statements for the year ended December 31, 2020. These matters were addressed in the context of our audit of the financial statements as a whole, and in forming our opinion thereon, and we do not provide a separate opinion on these matters. The key audit matter identified in the Corporation's financial statements for the year ended December 31, 2020 is as follows:

Revenue Recognition

The Corporation's sales revenue mainly comes from the manufacture and sale of bicycles, e-bikes, and bicycle components. As export revenue from the sale of e-bikes for the year ended December 31, 2020 accounted for a significant proportion of sales revenue, recognition of sales revenue from the sale of e-bikes has been identified as a key audit matter. For the accounting policies on the recognition of sales revenue, refer to Note 4.

Our audit procedures performed in respect of revenue recognition included the following:

- 1. We understood and evaluated the design and appropriateness of implementation of the internal controls related to the recognition of sales revenue and the operating procedures and risks related to revenue collection, and tested the continuous effectiveness of its related procedures during the year.
- 2. We obtained the sales revenue sales receipts from the export of e-bikes, sampled the orders, and subsequently recognized the documents and receipt vouchers related to sales revenue to verify the occurrence of the sales revenue recognized.

Other Matter

We did not audit the financial statements of some of the investees accounted for using the equity method as of and for the years ended December 31, 2020 and 2019, but such financial statements were audited by other auditors, whose reports have been furnished to us. The balance of the investments accounted for using the equity method was NT\$13,544,791 thousand and NT\$10,440,751 thousand, accounting for 51% and 46% of the Corporation's total assets as of December 31, 2020 and 2019, respectively. The share of profit of associates was NT\$3,359,564 thousand and NT\$1,374,891 thousand, accounting for 96% and 66% of the Corporation's total comprehensive income for the years ended December 31, 2020 and 2019, respectively.

Responsibilities of Management and Those Charged with Governance for the Financial Statements

Management is responsible for the preparation and fair presentation of the financial statements in accordance with the Regulations Governing the Preparation of Financial Reports by Securities Issuers, and for such internal control as management determines is necessary to enable the preparation of financial statements that are free from material misstatement, whether due to fraud or error.

In preparing the financial statements, management is responsible for assessing the Corporation's ability to continue as a going concern, disclosing, as applicable, matters related to going concern and using the going concern basis of accounting unless management either intends to liquidate the Corporation or to cease operations, or has no realistic alternative but to do so.

Those charged with governance, including the audit committee, are responsible for overseeing the Corporation's financial reporting process.

Auditors' Responsibilities for the Audit of the Financial Statements

Our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditors' report that includes our opinion. Reasonable assurance is a high level of assurance, but is not a guarantee that an audit conducted in accordance with the auditing standards generally accepted in the Republic of China will always detect a material misstatement when it exists. Misstatements can arise from fraud or error and are considered material if, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of these financial statements.

As part of an audit in accordance with the auditing standards generally accepted in the Republic of China, we exercise professional judgment and maintain professional skepticism throughout the audit. We also:

- 1. Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, design and perform audit procedures responsive to those risks, and obtain audit evidence that is sufficient and appropriate to provide a basis for our opinion. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control.
- 2. Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Corporation's internal control.
- 3. Evaluate the appropriateness of accounting policies used and the reasonableness of accounting estimates and related disclosures made by management.
- 4. Conclude on the appropriateness of management's use of the going concern basis of accounting and, based on the audit evidence obtained, whether a material uncertainty exists related to events or conditions that may cast significant doubt on the Corporation's ability to continue as a going concern. If we conclude that a material uncertainty exists, we are required to draw attention in our auditors' report to the related disclosures in the financial statements or, if such disclosures are inadequate, to modify our opinion. Our conclusions are based on the audit evidence obtained up to the date of our auditors' report. However, future events or conditions may cause the Corporation to cease to continue as a going concern.
- 5. Evaluate the overall presentation, structure and content of the financial statements, including the disclosures, and whether the financial statements represent the underlying transactions and events in a manner that achieves fair presentation.
- 6. Obtain sufficient and appropriate audit evidence regarding the financial information of entities or business activities within the Corporation to express an opinion on the financial statements. We are responsible for the direction, supervision, and performance of the audit. We remain solely responsible for our audit opinion.

We communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit and significant audit findings, including any significant deficiencies in internal control that we identify during our audit.

We also provide those charged with governance with a statement that we have complied with

relevant ethical requirements regarding independence, and to communicate with them all relationships and other matters that may reasonably be thought to bear on our independence, and where applicable, related safeguards.

From the matters communicated with those charged with governance, we determine those matters that were of most significance in the audit of the financial statements for the year ended December 31, 2020 and are therefore the key audit matters. We describe these matters in our auditors' report unless law or regulation precludes public disclosure about the matter or when, in extremely rare circumstances, we determine that a matter should not be communicated in our report because the adverse consequences of doing so would reasonably be expected to outweigh the public interest benefits of such communication.

The engagement partners on the audit resulting in this independent auditors' report are Shu-Chin Chiang and Done-Yuin Tseng.

INDEPENDENT AUDITORS' REPORT

The Board of Directors and Shareholders Merida Industry Co., Ltd.

Opinion

We have audited the accompanying consolidated financial statements of Merida Industry Co., Ltd. and its subsidiaries (collectively referred to as the "Group"), which comprise the consolidated balance sheets as of December 31, 2020 and 2019, and the consolidated statements of comprehensive income, changes in equity and cash flows for the years then ended, and the notes to the consolidated financial statements, including a summary of significant accounting policies (collectively referred to as the "consolidated financial statements").

In our opinion, based on our audits and the reports of other auditors (refer to the Other Matter section of this report), the accompanying consolidated financial statements present fairly, in all material respects, the consolidated financial position of the Group as of December 31, 2020 and 2019, and its consolidated financial performance and its consolidated cash flows for the years then ended in accordance with the Regulations Governing the Preparation of Financial Reports by Securities Issuers and International Financial Reporting Standards (IFRS), International Accounting Standards (IAS), IFRIC Interpretations (IFRIC), and SIC Interpretations (SIC) endorsed and issued into effect by the Financial Supervisory Commission of the Republic of China.

Basis for Opinion

We conducted our audits in accordance with the Regulations Governing Auditing and Attestation of Financial Statements by Certified Public Accountants and auditing standards generally accepted in the Republic of China. Our responsibilities under those standards are further described in the Auditors' Responsibilities for the Audit of the Consolidated Financial Statements section of our report. We are independent of the Group in accordance with The Norm of Professional Ethics for Certified Public Accountant of the Republic of China, and we have fulfilled our other ethical responsibilities in accordance with these requirements. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our opinion based on our audits and the report of other auditors.

Key Audit Matters

Key audit matters are those matters that, in our professional judgment, were of most significance in our audit of the consolidated financial statements for the year ended December 31, 2020. These matters were addressed in the context of our audit of the consolidated financial statements as a whole, and in forming our opinion thereon, and we do not provide a separate opinion on these matters.

The key audit matter identified in the Group's consolidated financial statements for the year ended December 31, 2020 is as follows:

Revenue Recognition

The Group's sales revenue mainly comes from the manufacture and sale of bicycles, e-bikes, and bicycle components. As export revenue from the sale of e-bikes for the year ended December 31, 2020 accounted for a significant proportion of sales revenue, recognition of sales revenue from the sale of e-bikes has been identified as a key audit matter. For the accounting policies on the recognition of sales revenue, refer to Note 4.

Our audit procedures performed in respect of revenue recognition included the following:

- 1. We understood and evaluated the design and appropriateness of implementation of the internal controls related to the recognition of sales revenue and the operating procedures and risks related to revenue collection, and tested the continuous effectiveness of its related procedures during the year.
- 2. We obtained the sales revenue receipts from the export of e-bikes, sampled the orders, and subsequently recognized the documents and receipt vouchers related to sales revenue to verify the occurrence of the sales revenue recognized.

Other Matter

We did not audit the financial statements of some of the investees accounted for using the equity method as of and for the years ended December 31, 2020 and 2019, but such financial statements were audited by other auditors, whose reports have been furnished to us. The balance of the investments accounted for using the equity method was NT\$13,544,791 thousand and NT\$10,440,751 thousand, accounting for 46% and 41% of the Group's consolidated total assets as of December 31, 2020 and 2019, respectively. The share of profit of associates was NT\$3,359,564 thousand and NT\$1,374,891 thousand, accounting for 92% and 67% of the Group's consolidated comprehensive income for the years ended December 31, 2020 and 2019, respectively.

We have also audited the parent company only financial statements of Merida Industry Co., Ltd. as of and for the years ended December 31, 2020 and 2019 on which we have issued an unmodified opinion.

Responsibilities of Management and Those Charged with Governance for the Consolidated Financial Statements

Management is responsible for the preparation and fair presentation of the consolidated financial statements in accordance with the Regulations Governing the Preparation of Financial Reports by Securities Issuers, and the IFRS, IAS, IFRIC, and SIC endorsed and issued into effect by the Financial Supervisory Commission of the Republic of China, and for such internal control as management determines is necessary to enable the preparation of consolidated financial statements that are free from material misstatement, whether due to fraud or error.

In preparing the consolidated financial statements, management is responsible for assessing the Group's ability to continue as a going concern, disclosing, as applicable, matters related to going concern and using the going concern basis of accounting unless management either intends to liquidate the Group or to cease operations, or has no realistic alternative but to do so.

Those charged with governance, including the audit committee, are responsible for overseeing the Group's financial reporting process.

Auditors' Responsibilities for the Audit of the Consolidated Financial Statements

Our objectives are to obtain reasonable assurance about whether the consolidated financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditors' report that includes our opinion. Reasonable assurance is a high level of assurance, but is not a guarantee that an audit conducted in accordance with the auditing standards generally accepted in the Republic of China will always detect a material misstatement when it exists. Misstatements can arise from fraud or error and are considered material if, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of these consolidated financial statements.

As part of an audit in accordance with the auditing standards generally accepted in the Republic of China, we exercise professional judgment and maintain professional skepticism throughout the audit. We also:

- 1. Identify and assess the risks of material misstatement of the consolidated financial statements, whether due to fraud or error, design and perform audit procedures responsive to those risks, and obtain audit evidence that is sufficient and appropriate to provide a basis for our opinion. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control.
- 2. Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Group's internal control.
- 3. Evaluate the appropriateness of accounting policies used and the reasonableness of accounting estimates and related disclosures made by management.
- 4. Conclude on the appropriateness of management's use of the going concern basis of accounting and, based on the audit evidence obtained, whether a material uncertainty exists related to events or conditions that may cast significant doubt on the Group's ability to continue as a going concern. If we conclude that a material uncertainty exists, we are required to draw attention in our auditors' report to the related disclosures in the consolidated financial statements or, if such disclosures are inadequate, to modify our opinion. Our conclusions are based on the audit evidence obtained up to the date of our auditors' report. However, future events or conditions may cause the Group to cease to continue as a going concern.
- 5. Evaluate the overall presentation, structure and content of the consolidated financial statements, including the disclosures, and whether the consolidated financial statements represent the underlying transactions and events in a manner that achieves fair presentation.
- 6. Obtain sufficient and appropriate audit evidence regarding the financial information of entities or business activities within the Group to express an opinion on the consolidated financial statements. We are responsible for the direction, supervision, and performance of the group audit. We remain solely responsible for our audit opinion.

We communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit and significant audit findings, including any significant deficiencies in internal control that we identify during our audit.

We also provide those charged with governance with a statement that we have complied with relevant ethical requirements regarding independence, and to communicate with them all relationships and other matters that may reasonably be thought to bear on our independence, and where applicable, related safeguards.

From the matters communicated with those charged with governance, we determine those matters that were of most significance in the audit of the consolidated financial statements for the year ended December 31, 2020 and are therefore the key audit matters. We describe these matters in our auditors' report unless law or regulation precludes public disclosure about the matter or when, in extremely rare circumstances, we determine that a matter should not be communicated in our report because the adverse consequences of doing so would reasonably be expected to outweigh the public interest benefits of such communication.

The engagement partners on the audit resulting in this independent auditors' report are Shu-Chin Chiang and Done-Yuin Tseng.

shareholder meeting, it shall adopt exercise of voting rights by electronic means and may adopt exercise of voting rights by correspondence. When voting rights are exercised by correspondence or electronic means, the method of exercise shall be specified in the shareholders meeting notice. A shareholder exercising voting rights by correspondence or electronic means will be deemed to have attended the meeting in person, but will have waived his/her rights with respect to the extraordinary motions and amendments to original proposals of that meeting; it is therefore advisable that the Company avoid the submission of extempore motions and amendments to original proposals. A shareholder intending to exercise voting rights by correspondence or electronic means under the preceding paragraph shall deliver a written declaration of intent to the Company two days before the date of the shareholders meeting. When duplicate declarations of intent are delivered, the one	rights shall be exercised by electronic methods and may be exercised by written form. When the voting right is exercised by written form or electronic method, the exercising method shall be specified in the convening notice of shareholders' meeting. The shareholders exercising voting right by written form or electronic method are deemed to attend shareholders' meeting in person. However, regarding the amendment of extempore motion and original motion, they are deemed as absent, so it is proper for the Company to avoid submitting the amendment of extempore motion and original motion. Regarding the exercising of voting right by written form or electronic method in the preceding paragraph, the expression of intent shall be delivered to the company 2 days before the convening of	with the laws.

Rules of Procedure for Shareholders' Meeting

- Article1 Unless otherwise provided by statutes or articles of incorporation, the shareholder's meeting of the Company shall be held in line with this regulation.
- Article2 Shareholders (or their agents) of the Company are asked to wear attendance cards, where the number of equities is calculated by signin cards handed over in time of sign-in in addition to the shares of voting right exercised by written form or electronic way.
- Article3 Unless otherwise provided by statutes, each shareholder of the Company has a voting right for each share.
- Article4 The shareholder's meeting of the Company shall be convened in the venue where the Company is located or where is conducive for the shareholders to attend and suitable for the shareholders to convene.
- Article5 If the board of directors convenes the shareholders' meeting, the president shall be the chairperson. When the president asks for leave or cannot carry out the duty for some reason, it shall be handled in line with the provisions in Article 208 of the Company Act.
 - If the shareholders' meeting is convened by person who is entitled to convene other than the board of directors, the convener shall serve as the chairperson.
- Article6 The company may designate the appointed lawyer, accountant or relevant personnel to attend the shareholders' meeting as a nonvoting delegate.
- Article7 The meeting affairs personnel who handle the shareholders' meeting shall wear badge or armband.
- Article8 The Company shall make an audio or video record of the whole course of the shareholders' meeting and keep it at least for 1 year.
- Article? When the meeting time comes, the chairperson shall declare to start the meeting. However, when the shareholders representing no more than half of the total issued shares attend, the chairperson may declare postpone the meeting. It cannot be postponed more than twice, and the total postponed time cannot exceed 1 hour. When the meeting is postponed twice, the quota is still insufficient and shareholders representing one third of total issued shares have attended, tentative resolution may be made in line with Paragraph 1, Article 175 in the Company Act.

Before the end of the meeting, if the number of shares represented by attended shareholders has reached more than half of the total issued shares, the chairperson may resubmit the tentative resolution to the general meeting for voting in line with Article 174 of the Company Act.

Article10 If the shareholders' meeting is convened by board of directors, the agenda shall be set by board of directors. The meeting shall be carried out in line with scheduled agenda and cannot be changed without resolution of the shareholders' meeting.

If the shareholders' meeting is convened by convener other than board of directors, the provisions of preceding paragraph apply mutatis mutandis. Before the end of procedure (including extempore motion) for the agenda scheduled in preceding 2 paragraphs, the chairperson cannot declare the meeting adjourned without resolution.

After the meeting is ended, the shareholders cannot reelect the chairperson to continue the meeting at the original venue or other venues. However, if the chairperson violates the rules of procedure and declare to end the meeting, one person may be elected as the chairperson under the consent of half of the attended shareholders with voting rights for the meeting being continued.

- Article11 When the meeting is ongoing, the chairperson may set time to declare for rest.
- Article12 Before the attended shareholder speaks, it is necessary to first fill in speech notes stating speech gist, shareholder's account number, (or attendance card number) and shareholder's name. The chairperson shall decide the speech order.

The attended shareholders who only submit speech notes but do not speak are deemed as not speaking. If the speech content and the record of speech note are inconsistent, the speech content shall prevail.

When the attended shareholder speaks, other shareholders cannot speak to interfere unless consent of the chairperson and speaking shareholder is obtained. Violators shall be prohibited by the chairperson.

Article13 When every shareholder speaks regarding the same motion, it cannot exceed twice unless consented by the chairperson. Every time cannot exceed 5 minutes.

The motions shall be discussed in line with the motion order scheduled by the agenda.

In case of violating procedure or exceeding beyond the topic of discussion, the chairperson may prohibit their speech.

- Article14 When a judicial person is entrusted to attend shareholders' meeting, the judicial person can only designate one person as the representative. When judicial shareholder designates more than 2 persons to attend shareholders' meeting as the representatives, only one can be chosen to speak for the same motion.
- Article15 After the attended shareholder speaks, chairperson may reply in person or designate relevant personnel to reply.
- Article16 When discussing the motions, the chairperson may declare to end the discussion at the right time. When necessary, the chairperson may declare to stop discussion and submit for voting.
- Article17 When the Company holds shareholders' meeting, the voting rights shall be exercised by electronic way and may be exercised by written form. When the voting right is exercised by written form or electronic way, the exercising way shall be specified in the convening notice of shareholders' meeting. The shareholders exercising voting right by written form or electronic way are deemed

to attend shareholders' meeting in person. However, regarding the amendment of extempore motion and original motion, they are deemed as abstention, so it is proper for the Company to avoid submitting the amendment of extempore motion and original motion.

Regarding the exercising of voting right by written form or electronic way in the preceding paragraph, the expression of intent shall be delivered to the company 2 days before the convening of shareholders' meeting. When the expression of intent is repetitive, the earliest service shall prevail, except that the former expression of intent is declared to be revoked.

After the shareholders exercise voting right by written form or electronic way, those who want to attend shareholders' meeting in person shall revoke the expression of intent for exercising voting right in the preceding paragraph by the same way as exercising voting right 2 days before convening the shareholders' meeting. If the revocation is overdue, the voting right exercised by written form or electronic way shall prevail. If voting right is exercised by written form or electronic way and agent is entrusted by proxies to attend the shareholders' meeting, the voting right exercised by entrusted attended agent shall prevail.

The voting of motion, unless otherwise provided by the Company Act and articles of incorporation, shall pass under the consent of half of the attended shareholders with voting rights. In time of voting, the chairperson or the designated personnel shall announce the total number of voting rights. The shareholders shall vote and on the day after the convening of shareholders' meeting, results of shareholders' consent, objection and abstention are input into market observatory post system. However, if the chairperson queries all attended shareholders for motion with no objection as the result, it is deemed adoption. Its validity is the same as voting. In case of objection (including exercising voting right to object or abstain from voting by written form or electronic form) the way of voting shall be adopted to decide.

When the same motion has amendment or substituted motion, the chairperson set the order of voting together with the original motion.

If one motion among them has been approved, other motions are deemed veto and there is no need for voting any more.

The chairperson shall appoint the vote monitoring and counting personnel for motion voting, but the vote monitoring personnel shall be one of the shareholders.

The voting counting work of shareholders' meeting voting or election motion shall be done at the public place in the shareholders' meeting venue. Moreover, after the vote counting is completed, the voting result shall be announced on the spot, including the statistical weight, and records shall be made.

Article18 The chairperson may direct the picket (or security) to help maintain order of meeting place. The picketer (or security) who helps maintaining order on site shall wear the armband with the word "picketer".

- Article19 The matters not covered in this regulation shall be handled in accordance with the Company Act or other relevant regulations.
- Article20 This regulation comes into force after being approved by shareholders' regular meeting on May 21, 1990. It was amended for the 1st time on June 15, 1998. Rules for Election of Directors

- Article 1 Unless otherwise provided in the laws and regulations or the Articles of Incorporation of the Company, the directors of this Company shall be elected in accordance with the rules specified herein.
- Article 2The election of directors shall adopt a cumulative voting system with disclosed ballots. The attendance number on the ballot may be regarded as the name of the voter. Unless otherwise provided in the Articles of Incorporation of the Company, the number of votes exercisable in respect of one share shall be the same as the number of directors to be elected, and the total number of votes per share may be consolidated for election of one candidate or may be split for election of two or more candidates. The election shall adopt the nomination system as specified in Article 192-1 of the Company Act, where the shareholders shall elect the directors from among the nominees listed in the roster of director candidates. The election of independent directors and non-independent directors shall be held together; provided, however, that the number of independent directors and non-independent directors elected shall be calculated separately.
- Article 3 In the election of directors of the Company, candidates who acquire more votes should win the seats of directors. If two or more persons acquire the same number of votes and the number of such persons exceeds the specified seats available, such persons acquiring the same votes shall draw lots to decide who should win the seats available, and the Chairman shall draw lots on behalf of the candidate who is not present. When a person serving as director is in violation of paragraph 3, Article 26-3 of the Securities and Exchange Act, that person shall be subject to ipso facto dismissal.
- Article 4At the beginning of the election, the Chairman shall appoint vote monitoring and counting personnel, provided that all monitoring personnel shall be shareholders of the Company. The ballot box used for voting shall be prepared by the Board of Directors and checked in public by the monitoring personnel before voting.

Article 5Ballots shall be printed and issued by the Company and shall be numbered by the attendance number.

- Article 6If the candidate is a shareholder of this Company, voters shall fill in the "candidate" column the candidate's name and shareholder's number, and the number of votes cast for such candidate. If the candidate is not a shareholder of this Company, voters shall fill in the "candidate" column the candidate's name, the candidate's ID number, and the number of votes cast for such candidate. If the candidate is a government agency or a legal entity, the full name of the government agency or the legal entity or the name(s) of their representative(s) should be filled in the column; when there are multiple representatives, the name of every representative shall be filled in.
- Article 7Ballots shall be deemed void under any of the following conditions:
 - (1) Ballots not made pursuant to these rules.
 - (2) Blank ballots not completed by the voter;
 - (3) Illegible writing;

(4) If the candidate is a shareholder of this Company, the name or shareholder's number of the candidate filled in the ballot inconsistent with the shareholders' register. If the candidate is not a shareholder of this Company, the name or ID number of the candidate filled in the ballot is inconsistent after verification;

- (5) Ballots with other written characters or symbols in addition to candidate's name, shareholder's number (ID number) and the number of votes cast for the candidate;
- (6) The name of the candidates filled in the ballots being the same as another candidate's name, without indicating the respective shareholder's numbers (ID numbers) to distinguish between the two; or
- (7) Two or more candidates are written on one ballot.
- Article 8 In the event of any doubts regarding a ballot, the monitoring personnel shall verify whether it is invalid. The invalid ballot shall be placed separately. The ballots should be calculated during the meeting right after the vote casting, and after the ballots are verified by the monitoring personnel. The results of the election should be announced by the Chairman or the personnel appointed by the Chairman at the meeting.
- Article 9 The directors elected shall fill in the "Consent to Act as Director," and the Company shall register with the competent authority for the directors to take office. Those who fail to submit the Consent on time shall be deemed unwilling to take office and have waived their qualifications.

- Article 10 Matters not specified in these Rules shall be handled in accordance with relevant laws and regulations such as the Company Act and the Company's Articles of Incorporation.
