## 2. Business Report of 2021:

### **Merida Industry Co. Ltd. Business Report for the Year 2021**

According to the statistics issued by Taiwan Bicycle Association (TBA), the total quantity and sales volume by the entire Taiwanese bicycle industry, electrical power assist bicycle (hereinafter “electrical bicycle”) and conventional bicycles (hereinafter “bicycle”) increased YoY by 20.96% and 26.10%, respectively, which indicate the industry’s strive for excellence and eventual figures breaking through the base period and gaining two-digit growth respectively in 2021 under the surge in demands by post-pandemic global market even disturbed by variants (deficiencies in materials, manpower, containers, shipments, etc.).

In 2021, the Company’s premium bicycle marketed in self-owned brand showed gains in quantity of units sold and sales volume in China by 14% and 18% YoY, respectively; in the meantime, our Taiwanese plant focusing on supplying the premium bicycles to Europe and America was affected by various post-pandemic uncertainties and experienced a deferred production and export albeit attaining ground-breaking figures in production and sales volumes surpassing the base period, ending the year with 12% increase YoY in number of electrical bicycles and 13% increase YoY for generic bicycles; the annual consolidated and parent-company only [refers to Taiwanese plant] came in, respectively, 1.1359 million units and 0.7178 million units (incl. electrical bicycle at approx. 0.2563 million units), contributing to annual increase by 6.25% and 12.35% YoY; the annual consolidated and parent-company only revenues were NTD 29.391 billion and 23.435 billion, respectively, indicating an annual increase of 8.57% and an annual increase of 15.85%. As the sales in global market in the year revealed a tendency of “sustained heat in sales and continued reduction of stocks at sales channels (pending restocking)”, the annual consolidated performance within and out of the scope of group business may present spectacular figures with “both revenue and profit reaching the new height.”

We appreciate the support by all our shareholders and directors, as well as the hard work and efforts of all employees. Facing growth momentum of self-owned brand channels derived from the demand for medium and high-end (gear-shifting) bicycles in the Chinese market post-pandemic, escalated demand for the electrical bicycles and maintained demand for bicycles in American, European and other markets, as well as the strong demand for restocking conventional or electrical bicycle at sales channels, the Company will actively dispatch bicycle and electrical bicycle production lines,

perform significant addition of staffs, capture available resources in the industrial chain, and increase overall production capacity to fulfill surge of market orders and to strive to achieve operational goals, break through the base period, and surpass business outcomes one after another.

Resolution:

## **INDEPENDENT AUDITORS' REPORT**

The Board of Directors and Shareholders  
Merida Industry Co., Ltd.

### **Opinion**

We have audited the accompanying financial statements of Merida Industry Co., Ltd. (the Corporation), which comprise the balance sheets as of December 31, 2021 and 2020, the statements of comprehensive income, changes in equity and cash flows for the years then ended, and the notes to the financial statements, including a summary of significant accounting policies (collectively referred to as the “financial statements”).

In our opinion, based on our audits and the reports of other auditors (refer to the Other Matter section of this report), the accompanying financial statements present fairly, in all material respects, the financial position of the Corporation as of December 31, 2021 and 2020, and its financial performance and its cash flows for the years then ended in accordance with the Regulations Governing the Preparation of Financial Reports by Securities Issuers.

### **Basis for Opinion**

We conducted our audits in accordance with the Regulations Governing Auditing and Attestation of Financial Statements by Certified Public Accountants and auditing standards generally accepted in the Republic of China. Our responsibilities under those standards are further described in the Auditors' Responsibilities for the Audit of the Consolidated Financial Statements section of our report. We are independent of the Group in accordance with The Norm of Professional Ethics for Certified Public Accountant of the Republic of China, and we have fulfilled our other ethical responsibilities in accordance with these requirements. Based on our audits and the report of other auditors, we believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our opinion based on our audits and the report of other auditors.

### **Key Audit Matters**

Key audit matters are those matters that, in our professional judgment, were of most significance in our audit of the financial statements for the year ended December 31, 2021. These matters were addressed in the context of our audit of the financial statements as a whole, and in forming our opinion thereon, and we do not provide a separate opinion on these matters.

The key audit matter identified in the Corporation's financial statements for the year ended December 31, 2021 is as follows:

#### Revenue Recognition

The Corporation's sales revenue mainly comes from the manufacture and sale of bicycles, e-bikes, and bicycle components. As export revenue from the sale of e-bikes for the year ended December 31, 2021 accounted for a significant proportion of sales revenue, recognition of sales revenue from the sale of e-bikes has been identified as a key audit matter. For the accounting policies on the recognition of sales revenue, refer to Note 4.

Our audit procedures performed in respect of revenue recognition included the following:

1. We understood and evaluated the design and appropriateness of implementation of the internal controls related to the recognition of sales revenue and the operating procedures and risks related to revenue collection, and tested the continuous effectiveness of its related procedures during the year.
2. We obtained the sales revenue sales receipts from the export of e-bikes, sampled the orders, and subsequently recognized the documents and receipt vouchers related to sales revenue to verify the occurrence of the sales revenue recognized.

#### **Other Matter**

We did not audit the financial statements of some of the investees accounted for using the equity method as of and for the years ended December 31, 2021 and 2020, but such financial statements were audited by other auditors, whose reports have been furnished to us. The balance of the investments accounted for using the equity method was NT\$17,065,507 thousand and NT\$13,544,791 thousand, accounting for 53% and 51% of the Corporation's total assets as of December 31, 2021 and 2020, respectively. The share of profit of associates was NT\$4,336,070 thousand and NT\$3,359,564 thousand, accounting for 74% and 67% of the Corporation's total net income before tax for the years ended December 31, 2021 and 2020, respectively.

#### **Responsibilities of Management and Those Charged with Governance for the Financial Statements**

Management is responsible for the preparation and fair presentation of the financial statements in accordance with the Regulations Governing the Preparation of Financial Reports by Securities Issuers, and for such internal control as management determines is necessary to enable the preparation of financial statements that are free from material misstatement, whether due to fraud or error.

In preparing the financial statements, management is responsible for assessing the Corporation's ability to continue as a going concern, disclosing, as applicable, matters related to going concern and using the going concern basis of accounting unless management either intends to liquidate the Corporation or to cease operations, or has no realistic alternative but to do so.

Those charged with governance, including the audit committee, are responsible for overseeing the Corporation's financial reporting process.

## **Auditors' Responsibilities for the Audit of the Financial Statements**

Our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditors' report that includes our opinion. Reasonable assurance is a high level of assurance, but is not a guarantee that an audit conducted in accordance with the auditing standards generally accepted in the Republic of China will always detect a material misstatement when it exists. Misstatements can arise from fraud or error and are considered material if, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of these financial statements.

As part of an audit in accordance with the auditing standards generally accepted in the Republic of China, we exercise professional judgment and maintain professional skepticism throughout the audit. We also:

1. Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, design and perform audit procedures responsive to those risks, and obtain audit evidence that is sufficient and appropriate to provide a basis for our opinion. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control.
2. Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Corporation's internal control.
3. Evaluate the appropriateness of accounting policies used and the reasonableness of accounting estimates and related disclosures made by management.
4. Conclude on the appropriateness of management's use of the going concern basis of accounting and, based on the audit evidence obtained, whether a material uncertainty exists related to events or conditions that may cast significant doubt on the Corporation's ability to continue as a going concern. If we conclude that a material uncertainty exists, we are required to draw attention in our auditors' report to the related disclosures in the financial statements or, if such disclosures are inadequate, to modify our opinion. Our conclusions are based on the audit evidence obtained up to the date of our auditors' report. However, future events or conditions may cause the Corporation to cease to continue as a going concern.
5. Evaluate the overall presentation, structure and content of the financial statements, including the disclosures, and whether the financial statements represent the underlying transactions and events in a manner that achieves fair presentation.
6. Obtain sufficient and appropriate audit evidence regarding the financial information of entities or business activities within the Corporation to express an opinion on the financial statements. We are responsible for the direction, supervision, and performance of the audit. We remain solely responsible for our audit opinion.

We communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit and significant audit findings, including any significant deficiencies in internal control that we identify during our audit.

We also provide those charged with governance with a statement that we have complied with relevant ethical requirements regarding independence, and to communicate with them all relationships and other matters that may reasonably be thought to bear on our independence, and where applicable, related safeguards.

From the matters communicated with those charged with governance, we determine those matters that were of most significance in the audit of the financial statements for the year ended December 31, 2021 and are therefore the key audit matters. We describe these matters in our auditors' report unless law or regulation precludes public disclosure about the matter or when, in extremely rare circumstances, we determine that a matter should not be communicated in our report because the adverse consequences of doing so would reasonably be expected to outweigh the public interest benefits of such communication.

The engagement partners on the audit resulting in this independent auditors' report are Shu-Chin Chiang and Done-Yuin Tseng.

## **INDEPENDENT AUDITORS' REPORT**

The Board of Directors and Shareholders  
Merida Industry Co., Ltd.

### **Opinion**

We have audited the accompanying consolidated financial statements of Merida Industry Co., Ltd. and its subsidiaries (collectively referred to as the “Group”), which comprise the consolidated balance sheets as of December 31, 2021 and 2020, and the consolidated statements of comprehensive income, changes in equity and cash flows for the years then ended, and the notes to the consolidated financial statements, including a summary of significant accounting policies (collectively referred to as the “consolidated financial statements”).

In our opinion, based on our audits and the reports of other auditors (refer to the Other Matter section of this report), the accompanying consolidated financial statements present fairly, in all material respects, the consolidated financial position of the Group as of December 31, 2021 and 2020, and its consolidated financial performance and its consolidated cash flows for the years then ended in accordance with the Regulations Governing the Preparation of Financial Reports by Securities Issuers and International Financial Reporting Standards (IFRS), International Accounting Standards (IAS), IFRIC Interpretations (IFRIC), and SIC Interpretations (SIC) endorsed and issued into effect by the Financial Supervisory Commission of the Republic of China.

### **Basis for Opinion**

We conducted our audits in accordance with the Regulations Governing Auditing and Attestation of Financial Statements by Certified Public Accountants and auditing standards generally accepted in the Republic of China. Our responsibilities under those standards are further described in the Auditors' Responsibilities for the Audit of the Consolidated Financial Statements section of our report. We are independent of the Group in accordance with The Norm of Professional Ethics for Certified Public Accountant of the Republic of China, and we have fulfilled our other ethical responsibilities in accordance with these requirements. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our opinion based on our audits and the report of other auditors.

### **Key Audit Matters**

Key audit matters are those matters that, in our professional judgment, were of most significance in our audit of the consolidated financial statements for the year ended December 31, 2021. These matters were addressed in the context of our audit of the consolidated financial statements as a whole, and in forming our opinion thereon, and we do not provide a separate opinion on these matters.

The key audit matter identified in the Group's consolidated financial statements for the year ended December 31, 2021 is as follows:

#### Revenue Recognition

The Group's sales revenue mainly comes from the manufacture and sale of bicycles, e-bikes, and bicycle components. As export revenue from the sale of e-bikes for the year ended December 31, 2021 accounted for a significant proportion of sales revenue, recognition of sales revenue from the sale of e-bikes has been identified as a key audit matter. For the accounting policies on the recognition of sales revenue, refer to Note 4.

Our audit procedures performed in respect of revenue recognition included the following:

1. We understood and evaluated the design and appropriateness of implementation of the internal controls related to the recognition of sales revenue and the operating procedures and risks related to revenue collection, and tested the continuous effectiveness of its related procedures during the year.
2. We obtained the sales revenue receipts from the export of e-bikes, sampled the orders, and subsequently recognized the documents and receipt vouchers related to sales revenue to verify the occurrence of the sales revenue recognized.

#### **Other Matter**

We did not audit the financial statements of some of the investees accounted for using the equity method as of and for the years ended December 31, 2021 and 2020, but such financial statements were audited by other auditors, whose reports have been furnished to us. The balance of the investments accounted for using the equity method was NT\$17,065,507 thousand and NT\$13,544,791 thousand, accounting for 48% and 46% of the Group's consolidated total assets as of December 31, 2021 and 2020, respectively. The share of profit of associates was NT\$4,336,070 thousand and NT\$3,359,564 thousand, accounting for 70% and 64% of the Group's consolidated net income before tax for the years ended December 31, 2021 and 2020, respectively.

We have also audited the parent company only financial statements of Merida Industry Co., Ltd. as of and for the years ended December 31, 2021 and 2020 on which we have issued an unmodified opinion.

#### **Responsibilities of Management and Those Charged with Governance for the Consolidated Financial Statements**

Management is responsible for the preparation and fair presentation of the consolidated financial statements in accordance with the Regulations Governing the Preparation of Financial Reports by Securities Issuers, and the IFRS, IAS, IFRIC, and SIC endorsed and issued into effect by the Financial Supervisory Commission of the Republic of China, and for such internal control as management determines is necessary to enable the preparation of consolidated financial statements that are free from material misstatement, whether due to fraud or error.

In preparing the consolidated financial statements, management is responsible for assessing the Group's ability to continue as a going concern, disclosing, as applicable, matters related to going concern and using the going concern basis of accounting unless management either intends to liquidate the Group or to cease operations, or has no realistic alternative but to do so.

Those charged with governance, including the audit committee, are responsible for overseeing the Group's financial reporting process.

## **Auditors' Responsibilities for the Audit of the Consolidated Financial Statements**

Our objectives are to obtain reasonable assurance about whether the consolidated financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditors' report that includes our opinion. Reasonable assurance is a high level of assurance, but is not a guarantee that an audit conducted in accordance with the auditing standards generally accepted in the Republic of China will always detect a material misstatement when it exists. Misstatements can arise from fraud or error and are considered material if, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of these consolidated financial statements.

As part of an audit in accordance with the auditing standards generally accepted in the Republic of China, we exercise professional judgment and maintain professional skepticism throughout the audit. We also:

1. Identify and assess the risks of material misstatement of the consolidated financial statements, whether due to fraud or error, design and perform audit procedures responsive to those risks, and obtain audit evidence that is sufficient and appropriate to provide a basis for our opinion. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control.
2. Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Group's internal control.
3. Evaluate the appropriateness of accounting policies used and the reasonableness of accounting estimates and related disclosures made by management.
4. Conclude on the appropriateness of management's use of the going concern basis of accounting and, based on the audit evidence obtained, whether a material uncertainty exists related to events or conditions that may cast significant doubt on the Group's ability to continue as a going concern. If we conclude that a material uncertainty exists, we are required to draw attention in our auditors' report to the related disclosures in the consolidated financial statements or, if such disclosures are inadequate, to modify our opinion. Our conclusions are based on the audit evidence obtained up to the date of our auditors' report. However, future events or conditions may cause the Group to cease to continue as a going concern.
5. Evaluate the overall presentation, structure and content of the consolidated financial statements, including the disclosures, and whether the consolidated financial statements represent the underlying transactions and events in a manner that achieves fair presentation.
6. Obtain sufficient and appropriate audit evidence regarding the financial information of entities or business activities within the Group to express an opinion on the consolidated financial statements. We are responsible for the direction, supervision, and performance of the group audit. We remain solely responsible for our audit opinion.

We communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit and significant audit findings, including any significant deficiencies in internal control that we identify during our audit.

We also provide those charged with governance with a statement that we have complied with relevant ethical requirements regarding independence, and to communicate with them all relationships and other matters that may reasonably be thought to bear on our independence, and where applicable, related safeguards.

From the matters communicated with those charged with governance, we determine those matters that were of most significance in the audit of the consolidated financial statements for the year ended December 31, 2021 and are therefore the key audit matters. We describe these matters in our auditors' report unless law or regulation precludes public disclosure about the matter or when, in extremely rare circumstances, we determine that a matter should not be communicated in our report because the adverse consequences of doing so would reasonably be expected to outweigh the public interest benefits of such communication.

The engagement partners on the audit resulting in this independent auditors' report are Shu-Chin Chiang and Done-Yuin Tseng.

In acquiring real property or right-of-use assets thereof from a related party, the Company shall, in addition to following provisions in Article 6 herein, adopt necessary resolutions and appraise the reasonableness of the transaction terms as provided below:</p> <p>(1) In acquiring real property or right-of-use assets thereof from a related party, the Company shall evaluate the reasonableness of the transaction costs by the following means and shall also engage a CPA to check the appraisal and render a specific opinion: 1. Based upon the related party's transaction price plus necessary interest on funding and the costs to be duly borne by the buyer. "Necessary interest on funding" is imputed as the weighted average interest rate on borrowing in the year the Company purchases the property; provided, it may not be higher than the maximum non-financial industry lending rate announced by the Ministry of Finance.</p> <p>2. Total loan value appraisal from a financial institution where the related party has previously created</p>	<p>where the publicly announced current value for the same period is used and not more than 6 months have elapsed, an opinion may still be issued by the original professional appraiser.</p> <p>2. When the Company acquires or disposes real property or its right-of-use assets thereof of other fixed assets, where the transaction amount reaches 20 percent of the Company's paid-in capital or NTD 300 million or more, the Company may authorize its chairman in handling such transaction after first approved by one-half or more of all Audit Committee members and then submitted to the Board of Directors for resolution.</p> <p>3. In acquiring real property or right-of-use assets thereof from a related party, the Company shall, in addition to following provisions in Article 6 herein, adopt necessary resolutions and appraise the reasonableness of the transaction terms as provided below:</p> <p>(1) In acquiring real property or right-of-use assets thereof from a related party, the Company shall evaluate the reasonableness of the transaction costs by the following means and shall also engage a CPA to check the appraisal and render a specific opinion: 1. 3. Information of Proposal-Making Shareholders Holding 1 Percent or more of the Company's Outstanding Shares

(1) According to Article 172-1, the period for accepting proposals by shareholders in this annual shareholders' meeting is April 16, 2022 to April 26, 2022, and the proposals have been made into Public Announcement on the MOPS.

(2) The Company does not receive any proposal from any shareholders holding 1 percent or more of the Company's outstanding shares throughout the period mentioned in the preceding paragraph.

## **Rules of Procedure for Shareholders' Meeting**

- Article 1 Unless otherwise provided by statutes or articles of incorporation, the shareholder's meeting of the Company shall be held in line with this regulation.
- Article 2 Shareholders (or their agents) of the Company are asked to wear attendance cards, where the number of equities is calculated by sign-in cards handed over in time of sign-in in addition to the shares of voting right exercised by written form or electronic way.
- Article 3 Unless otherwise provided by statutes, each shareholder of the Company has a voting right for each share.
- Article 4 The shareholder's meeting of the Company shall be convened in the venue where the Company is located or where is conducive for the shareholders to attend and suitable for the shareholders to convene.
- Article 5 If the board of directors convenes the shareholders' meeting, the president shall be the chairperson. When the president asks for leave or cannot carry out the duty for some reason, it shall be handled in line with the provisions in Article 208 of the Company Act.  
If the shareholders' meeting is convened by person who is entitled to convene other than the board of directors, the convener shall serve as the chairperson.
- Article 6 The company may designate the appointed lawyer, accountant or relevant personnel to attend the shareholders' meeting as a nonvoting delegate.
- Article 7 The meeting affairs personnel who handle the shareholders' meeting shall wear badge or armband.
- Article 8 The Company, beginning from the time it accepts shareholder attendance registrations, shall make an audio and video recording throughout the registration procedure, the proceedings of the shareholders meeting, and the voting and vote counting procedures. The recorded materials shall be retained for at least one year.
- Article 9 The chair shall call the meeting to order at the appointed meeting time and disclose information concerning the number of nonvoting shares and number of shares represented by shareholders attending the meeting. However, when the attending shareholders do not represent a majority of the total number of issued shares, the chair may announce a postponement, provided that no more than two such postponements, for a combined total of no more than one hour, may be made. If the quorum is not met after two postponements, but the attending shareholders represent one third or more of the total number of issued shares, a tentative resolution may be adopted pursuant to Article 175, paragraph 1 of the Company Act.  
When, prior to conclusion of the meeting, the attending shareholders represent a majority of the total number of issued shares, the chair may resubmit the tentative resolution for a vote by the shareholders meeting pursuant to Article 174 of the Company Act.
- Article 10 If the shareholders' meeting is convened by board of directors, the agenda shall be set by board of directors. The meeting shall be carried out in line with scheduled agenda and cannot be changed without resolution of the shareholders' meeting.

If the shareholders' meeting is convened by convener other than board of directors, the provisions of preceding paragraph apply mutatis mutandis. Before the end of procedure (including extempore motion) for the agenda scheduled in preceding 2 paragraphs, the chairperson cannot declare the meeting adjourned without resolution.

After the meeting is ended, the shareholders cannot reelect the chairperson to continue the meeting at the original venue or other venues. However, if the chairperson violates the rules of procedure and declare to end the meeting, one person may be elected as the chairperson under the consent of half of the attended shareholders with voting rights for the meeting being continued.

Article11 When the meeting is ongoing, the chairperson may set time to declare for rest.

Article12 Before the attended shareholder speaks, it is necessary to first fill in speech notes stating speech gist, shareholder's account number, (or attendance card number) and shareholder's name. The chairperson shall decide the speech order.

The attended shareholders who only submit speech notes but do not speak are deemed as not speaking. If the speech content and the record of speech note are inconsistent, the speech content shall prevail.

When the attended shareholder speaks, other shareholders cannot speak to interfere unless consent of the chairperson and speaking shareholder is obtained. Violators shall be prohibited by the chairperson.

Article13 When every shareholder speaks regarding the same motion, it cannot exceed twice unless consented by the chairperson. Every time cannot exceed 5 minutes.

The motions shall be discussed in line with the motion order scheduled by the agenda.

In case of violating procedure or exceeding beyond the topic of discussion, the chairperson may prohibit their speech.

Article14 When a judicial person is entrusted to attend shareholders' meeting, the judicial person can only designate one person as the representative. When judicial shareholder designates more than 2 persons to attend shareholders' meeting as the representatives, only one can be chosen to speak for the same motion.

Article15 After the attended shareholder speaks, chairperson may reply in person or designate relevant personnel to reply.

Article16 When discussing the motions, the chairperson may declare to end the discussion at the right time. When necessary, the chairperson may declare to stop discussion and submit for voting.

Article 17 When the Company holds a shareholder meeting, it shall adopt exercise of voting rights by electronic means and may adopt exercise of voting rights by correspondence. When voting rights are exercised by correspondence or electronic means, the method of exercise shall be specified in the shareholders meeting notice. A shareholder exercising voting rights by correspondence or electronic means will be deemed to have attended the meeting in person, but to have waived his/her rights with respect to the extraordinary motions and amendments to original proposals of that meeting; it is therefore advisable that the Company avoid the submission of

extraordinary motions and amendments to original proposals.

A shareholder intending to exercise voting rights by correspondence or electronic means under the preceding paragraph shall deliver a written declaration of intent to the Company before two days before the date of the shareholders meeting. When duplicate declarations of intent are delivered, the one received earliest shall prevail, except when a declaration is made to cancel the earlier declaration of intent.

After a shareholder has exercised voting rights by correspondence or electronic means, in the event the shareholder intends to attend the shareholders meeting in person or online, a written declaration of intent to retract the voting rights already exercised under the preceding paragraph shall be made known to the Company, by the same means by which the voting rights were exercised, before two business days before the date of the shareholders meeting. If the notice of retraction is submitted after that time, the voting rights already exercised by correspondence or electronic means shall prevail. When a shareholder has exercised voting rights both by correspondence or electronic means and by appointing a proxy to attend a shareholders meeting, the voting rights exercised by the proxy in the meeting shall prevail.

Except as otherwise provided in the Company Act and in the Company's articles of incorporation, the passage of a proposal shall require an affirmative vote of a majority of the voting rights represented by the attending shareholders. At the time of a vote, for each proposal, the chair or a person designated by the chair shall first announce the total number of voting rights represented by the attending shareholders, followed by a poll of the shareholders. After the conclusion of the meeting, on the same day it is held, the results for each proposal, based on the numbers of votes for and against and the number of abstentions, shall be entered into the MOPS. However, a proposal with no objection from all attending shareholders as inquired by the chair may be deemed as adopted, with the force equivalent to voting; where there is any objection (including exercising the objection or abstention against the vote by correspondence or electronically), a poll by shareholders shall be held.

When there is an amendment or an alternative to a proposal, the chair shall present the amended or alternative proposal together with the original proposal and decide the order in which they will be put to a vote. When any one among them is passed, the other proposals will then be deemed rejected, and no further voting shall be required. Vote monitoring and counting personnel for the voting on a proposal shall be appointed by the chair, provided that all monitoring personnel shall be shareholders of the Company. Vote counting for shareholders meeting proposals or elections shall be conducted in public at the place of the shareholders meeting. Immediately after vote counting has been completed, the results of the voting, including the statistical tallies of the numbers of votes, the names of those elected as directors and the numbers of votes with which they were elected, and the names of directors not elected and number of votes they received, shall be announced on-site at the meeting, and a record made of the vote.

Article 18 The chairperson may direct the picket (or security) to help maintain order of

meeting place. The picketer (or security) who helps maintaining order on site shall wear the armband with the word “picketer”.

Article19 The matters not covered in this regulation shall be handled in accordance with the Company Act or other relevant regulations.

Article20 This regulation comes into force after being approved by shareholders’ regular meeting on May 21, 1990. It was amended for the 1st time on June 15, 1998. It was amended for the 2nd time on June 25, 2002. It was amended for the 3rd time on June 23, 2006. It was amended for the 4th time on June 27, 2008. It was amended for the 5th time on June 26, 2014. It was amended for the 6th time on June 22, 2016. It was amended for the 7th time on August 4, 2021.
